For all prescription refill request, please contact your pharmacy. They will fax an authorization with your prescription information for the doctor to review. **Please note that there is a minimum 24 hour turnaround time for ALL refill requests. Please monitor your medications carefully and call BEFORE you run out of your supply.**

CANCELLATION POLICY

In order to offer you the best care possible, it is important that you keep your appointments with your physician. If you need to cancel an appointment, please call to let us know so that we can offer the time to patients who are on the cancellation list. Failing to call to cancel or reschedule **PRIOR** to the appointment is counted as a “no show”. We reserve the right to dismiss you from our care after three “no show” occurrences; please be considerate of other patients in need of appointments.

FINANCIAL POLICY

We are dedicated to providing the best possible care and service to you and regard your complete understanding of our financial policies as an essential element of your care and treatment.

- Unless other arrangement have been made in advance by yourself or your health coverage carrier, full payment for office services are due at the time of service. For your convenience we will accept VISA, MasterCard, American Express and Discover, as well as cash, check or money order.
- We have made prior arrangement with many insurers and other health plans to accept an assignment of benefits. We will bill those plans with which we have an agreement and will only require you to pay the co-payment **at the time of service.**
- All health plans are not the same and do not cover the same services. In the event your health plan determines a service to be “not covered,” you will be responsible for the complete charge. Payment is due upon receipt of statement from our office.
- It is your responsibility to verify that this office participates with your insurance. If we do not participate with your insurance, you will likely be responsible for all charges out of pocket.
- If you have an HMO insurance plan, it is your responsibility to make sure you designate our office or physicians as your PCP prior to your first visit. Failure to do so may result in reduced benefits and/or non-coverage of your visit by your insurance company. You can contact the customer service number on the back of your card to change your PCP.
